Dear John:

I have your letter of December 23 advising that you have set up a meeting for 9:00 a.m., January 19 for the purpose of considering trial refinery use of a substitute lead compound. I fear that I failed to emphasize sufficiently during our telephone conversation that the suitability of January 19 for the proposed meeting was contingent upon the availability of Dr. Kehoe. Since Dr. Kehoe is on vacation, and will not be back in his office until Monday, January 5, we will be unable to advise you as to the suitability of either the date or the time until after his return. We shall do so, however, just as early as is possible.

With my very best wishes for a happy New Year.

Very truly yours,
