Importance: High

Benzene Health Research Consortium (BHRC) Technical Committee (TC) -

Attached is a pdf copy of Dr. Irons' year-end 2004 (YE04) Shanghai Health Study DP/ME Progress Report, which arrived last night (pages 7 & 8 were intentionally blank).

Please reply with your availability & time preference to join a 1-hour TC conference call this Friday, March 11th, to 1) review the three YE04 progress reports (Fudan & CC Reports are available on the SHS web site) and 2) review the draft 4Q04 Financial Report. Friday's call will provide Jennifer with a TC report for Monday's OC conference call (March 14th, 1:00pm EST):

Yes___No___ Fri Mar 11 at 11:00am EST (10am Central, 8am Pacific)

Yes___No___ Fri Mar 11 at 1:00pm EST (12pm Central, 10am Pacific)

Yes___No___ Fri Mar 11 at 3:00pm EST (2pm Central, 12pm Pacific)

Ann Loudon provided a copy of UCHSC's 2004 Report of Expenditures today; I will distribute the draft 4Q04 Financial Report in a separate email, as soon as UCHSC's information is transcribed into this draft report.

Best Regards - Bruce.
