Dear Samantha,

Thank you for taking the time on Tuesday to meet with me and the other members of the vinyl industry to discuss the challenges we face with the PVC MACT as well as the opportunities we look forward to working with you on moving forward. Having the chance to share our views with you proved most worthwhile and the VI stands ready to provide the resources and support required to complete the action items from our meeting.

The vinyl industry is proud of our leadership in the communities which we operate and the track record of our environmental performance. Our industry is playing a significant role in a strong and growing national economy and completing the PVC MACT is needed to create the certainty for the industry to further invest in positive growth. I was very encouraged by your comments and understanding of our situation with the PVC MACT.

Once again, thank you for your time and interest. On behalf of the vinyl industry, I look forward to working with you and if I can assist you with further information please don't hesitate to contact me at 972-404-3615 or by email at Evans@oxy.com<mailto:Evans@oxy.com>.

Sincerely,

Grant A. Evans
