

INTER-OFFICE LETTER

FROM

Cleveland

OFFICE

Auxiliaries

DEPT

FOR Coffeyville #30

OFFICE

DATE April 28, 1958

BY G. F. Wyman

SUBJECT Barium Monohydrate Contract - Bunker Hill

ANSWERING LETTER OF

DICTATED BY

I am attaching hereto copy of our contract with Bunker Hill covering our barium monohydrate venture.

You should be thoroughly familiar with its provisions so that proper accounting and handling can be taken care of where Coffeyville is involved. However, I ask that you keep the details of this matter more or less confidential as there is no reason for others in your organization to know them.
