I LIKE FULLERGLO

Hester Heath Uses Fuller-Glo Because It Makes Her Kitchen So Cheerful

Housewives everywhere are saying this after having the beautiful Fuller-glo satin-like enamel finish applied to walls and woodwork of their homes. The soft pastel colors are truly delightful in any room.

And the Fullerglo finish is smooth and non-porous so that it is easily cleaned with the whisk of a damp cloth.

Ask to see our Fullerglo color scheme suggestions and charts.
