Doctor Robert A. Kehoe,
Kettering Laboratory of Applied Physiology,
University of Cincinnati,
Cincinnati - Ohio - U.S.A.-

Dear Dr. Kehoe,

I enclose five reports on medical examinations carried out in Aruba under the direction of Doctor R.C. Carrell, M.D., who is in charge of the Company's Medical Department.

You will notice that the employees referred to are declared fit to be employed in blending leaded gasoline though they are suffering from certain illnesses. You may wish to write to Dr. Carrell in this respect and I would appreciate receiving a copy of your letter.

Yours sincerely,
