

Is your house weather-sick?

Then put in a hurry call for these two famous partners . . . the skilled professional painter and pure lead paint. They have never failed to save the house-owner's money.

PAINT-STARVED . . . and weather-sick . . . scared and weather-beaten . . . you see many houses like that. They need the help of two partners . . . a skilled professional painter and pure lead paint.

For generations these two have been partners in protecting and beautifying the finest homes in all parts of the country. The master painter's skill in mixing and applying pure lead paint made with Dutch Boy white-lead guarantees sure protection at a price any home-owner can afford. Dutch Boy white-lead gives a tough, elastic paint film that does not crack or scale. It spreads far . . . has remarkable hiding power. Its durability and long life make necessary fewer repaintings.

For all painting Dutch Boy white-lead mixed with linseed oil produces a superior gloss for exterior use. Mixed with Dutch Boy flat-

ting oil, it makes a real flat paint for interiors . . . a paint that is not harmed by frequent and thorough washings. Both paints can be colored exactly as you desire. Their color possibilities are practically unlimited, providing attractive colors for the exterior and any number of distinctive and lovely finishes for interiors.

Dutch Boy white-lead, in either heavy paste or soft paste form, is sold by leading paint dealers.

Have you this booklet?

For property owners we have a booklet, "The House We Live In," which gives essential data about paint and tells how to select desirable colors. Write our nearest office for your free copy.

This trademark, a guarantee of high quality, is on all Dutch Boy products—white-lead, red-lead, linseed oil, flattening oil, solder and babbitt metal. It is the trademark of National Lead Company which manufactures lead products for the many uses for which lead is especially fitted in our industry and daily life.

WHITE-LEAD in NEW FORM

Dutch Boy soft paste white-lead is a new product, thin to brushing consistency at the rate of a gallon of paint a minute. It is wonderfully easy to use. Painters and other paint buyers: See your dealer about this remarkable product.
