Dear [REDACTED]

I can confirm what [REDACTED] says, it's me who should make this presentation. However, I now have a meeting in the morning and I need to check the exact timing before confirming.

Regards

Dear [REDACTED]

Please cross check with my colleague from COM, [REDACTED] about the pp.

I admit that I am a bit surprised to see my name indicated as the speaker for next Monday.

From a previous exchange I understood that you and your colleagues would have been in touch with [REDACTED]

I am also off this afternoon till Monday and I am afraid I am also not able to follow the conference due to some urgent business issue I have to follow in ECHA (because I was not supposed to be the speaker).

I hope that this issue relates to the name only and that this can be clarified soon with my colleagues, especially with [REDACTED]

Kind Regards

[REDACTED]
