TO

: Unit/Craft Contact Supervisors

The 1983 A-Term office of the Hourly Unit/Craft Safety Representatives expires on June 30, 1983. Please provide for an election in your unit or craft, and fill out and return this memo to me by June 17, 1983.

Election of a good Unit/Craft Safety Representative is vitally important to the success of your Safety Promotion Team. This is especially important at this time as we strive to improve our safety performance. You should encourage your best people to participate and be willing to serve. It can be an opportunity for personal satisfaction, growth on the job, and a positive contribution to making our plant a safer place in which to work.
