The same allowance under the same conditions will be made into the following cities in the State of New Mexico: Clovis, Las Cruces and Portales.

The same allowance of $1.75 per M sq. ft. under the same terms will be made on all shipments of gypsum wallboard products and sheathing excluding gypsum lath and backing board into the Texas Counties of Dallas and Tarrant and also, into the Texas cities of Amarillo, Abilene, Austin, Borger, Lubbock and San Antonio. These changes effective on all shipments made on and after August 27th are subject to further changes on notice.
