

28737-97 & 98

ASBESTOS REMOVAL SAMPLES. (METHUEN)

11-8-82

- Found the misplaced sample. Stick to chain log suffice. Will submit with next group of asbestos samples for analysis.
- Call Jimmy Vacher - West Plains Labor Bator Range around 1345 samples were rec'd of Acme Truck Service. Samples will be counted 11-9-82. Agreed to call him for results 11-10-82. Asked about analyzing reports of Subair chelation since I only had the mtrics. Agreed find up and will send with these samples.

11-10-82

- Samples taken as noted on map by B. Lippich
- Two P-4000 pumps returned to J. Adams by Dave Reardon at the ACS Meeting PM Beaumont (11-9-82).

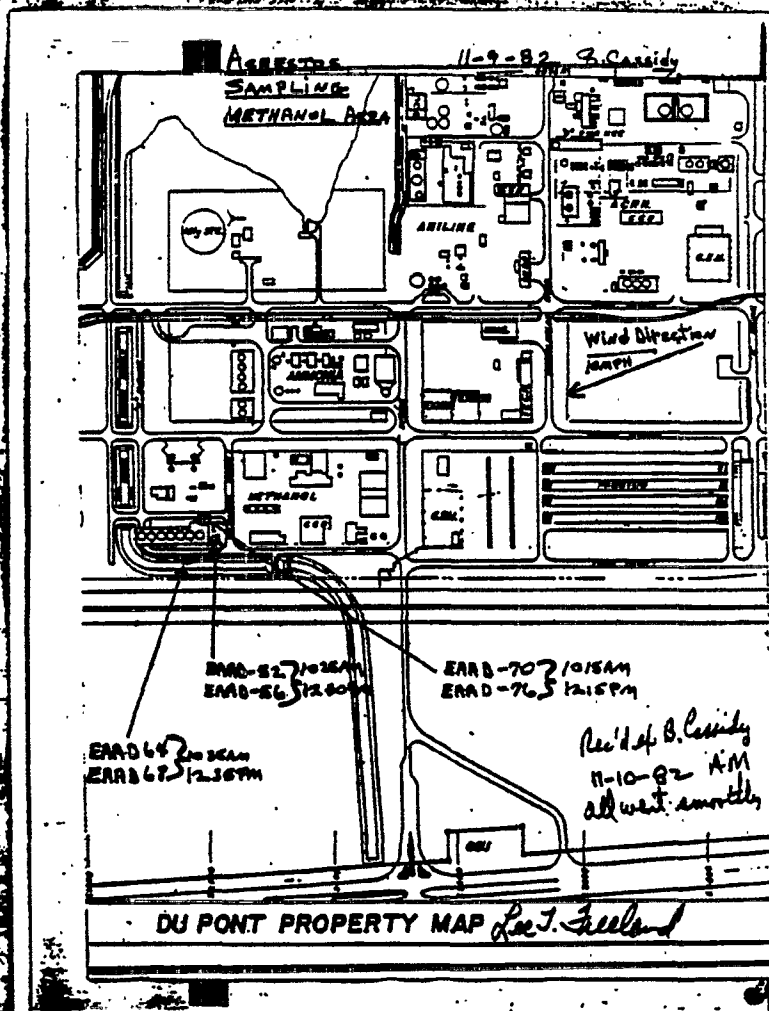

• Plan to sample again today.

N.B. all maps are copies of map annotated 28737-55 for accurate definition of map source.
