

Dr. Braun - Direct

-----

Industrial Health Foundation is what?

A. President.

Q. How long have you held that position?

A. Since February, 1972.

Q. Prior to February of 1972, had you been employed with the Industrial Health Foundation or its predecessors?

A. Yes. From August of 1970 I was employed as manager of occupational health services. From, I think, the beginning of 1952 to the end of 1957 I was medical director of the then Industrial Hygiene Foundation in the Mellon Institute.

Q. That position, I believe, lasted from the beginning of 1952 to the end of 1957?

A. That is correct.

Q. You rejoined the foundation as it was then called the Industrial Health Foundation in August of 1970 and continued with them in one of two forms to the present time?

A. That is correct.

Q. In your capacity as president since 1972, have you of necessity in your position maintained certain files and records of the Industrial Health
