Mr. Howard M. Berch, President
Plastics Specialty, Inc.
922 South 11th
Fort Smith, Arkansas 72901

Dear Mr. Berch:

Thank you for your letter of February 4 concerning Aroclor 1254 and Santovac 2. Monsanto no longer offers Aroclor 1254 for sale.

Santovac 2 is available at $1.25 per pound in 5 gallon containers, net weight 60 pounds. Price is FOB Sauget, Illinois, net 30 days. It is also available in 55 gallon drums at $1.05 per pound, net weight 600 pounds.

Santovac 2 contains polychlorinated biphenyls which some studies have shown may be an environmental contaminant. Extreme care should be taken to prevent any entry into the environment through spills, leakage, use, disposal, vaporization, or otherwise. You may return used Santovac 2 to Monsanto, W. G. Krummrich Plant, Supervisor, Department 246, Sauget, Illinois 62201 for incineration and disposal. You should pay the freight and will be invoiced $0.03/pound on the material disposed of.

Please let us know if you desire further information.

Very truly yours,

R. E. Hatton
Technical Manager
Hydraulics & Lubricants
