Dear Paul:

You should have received 6 copies of Hartford Steam Boiler's Loss Prevention Report Infrared Thermographic Survey, dated 6/12/90. I would like to bring to your attention Recommendation Number Code: B-90-06-12-01 ALERT.

Proper attention should be given to correcting the electrical problem in order to prevent a possible property loss.

If I can be of any further service, please feel free to give me a call.

Sincerely yours,
