Subject: IM on Grants, Agreements, Decisions

Morning, Peter.

We surnamed and left for Mike an IM on compliance with Dep Sec's routing of summaries of RODs and significant decisions about a week ago. Could you give us an update on status? Signed and with directives is what I am guessing. We are now starting to get templates, and they will soon be hitting DTS, FYI.

Also, any update on reply from Dep Sec on SO 3349, which directed the Dep Sec to reply to AS-LM within 30 days of March 29 about any re-directs in policy towards mitigation or climate change

Thank you!!
