Re: Nevada Power Company v. Monsanto Company, et al.
USDC, District of Nevada Case CV-S-89-555-LDG (LRL)

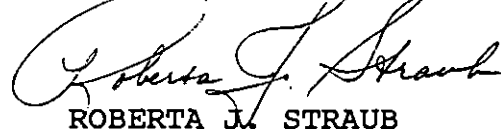

Dear Konrad:

In the interest of speeding up the depositions of Jeffrey Bair and Wayne Bickerstaff, under cover of this letter we are sending you in advance the copies of the handwritten notes which were provided to us by Westinghouse. These accompanied Westinghouse's response to Nevada Power's Motion for Default Judgment. We have transcribed those notes into typewritten form for clarity.

To speed up the depositions, would you please have Mr. Bair and Mr. Bickerstaff review the notes and the typewritten versions of those notes and to make any corrections necessary and fill in the blanks in the typewritten form? It is our hope that the depositions will proceed fairly quickly if this can be accomplished ahead of time.

Very Truly Yours,

BRADLEY & MERRELL
