Dear Mr. Zwinkels:

I received word from your Executive Vice President F.A.G. Collot d'Escury of your companies desire to be a member of the Vinyl Chloride Safety Association. We welcome you as permanent representative and correspondent and expect to see you in Bermuda at our next meeting.

I am enclosing information that has been sent to members concerning our 1980 meeting. The correspondence from Mr. Jim Gabbett, Chairman, discusses site and date particulars. I would suggest making reservations in the near future. A list of potential topics is also enclosed. Again, welcome. I am looking forward to meeting you in October. If I can be of further assistance please call or write. I have a Telex available if that is convenient - Number 586416.

Very truly yours,
