Subject: CBS National News Urgent Request

Good afternoon,

My name is Caroline West and I'm a producer for ***CBS This Morning*** with Gayle King, Charlie Rose and Norah O'Donnell. We are preparing a report regarding the toxic waste sites flooded in Highlands, TX and other areas. Is there anyone available for an **on-camera interview either tomorrow afternoon or on Monday** to discuss this with us?

We are interested in learning when EPA experts will be able to inspect Houston-area sites and what is currently being done. I saw that EPA staff had checked on two other sites in Corpus Christi, just wanted to confirm this with you. If there's any additional information you can provide please send it my way. Also, let me know as soon as possible about an on-camera interview.

My number is

Thank you,

Caroline West
