Good morning again Sydney,

Please ignore the previous message to move the GM meeting to 9a. I just received another email that 10a is perfect.

Thank you,

Diane

I apologize for all the confusion.

Good morning Sydney,

I just received an email from GM that Ms. Barra's scheduled has changed for April 26th. Is there any flexibility on the Administrator's schedule to move the meeting to 9 am from the current 10 am time slot?

I sincerely apologize for any inconvenience.

Thank you in advance for checking on this.

Regards,

Diane

Hi Sydney,

I just received ad email from GM's Vice President, the CEO is available on April 26th and would like to schedule 10:00 a.m. for the meeting with the Administrator. Can we please confirm this date and time? If so, please tell me what information your require, full name, date of birth, etc.

Thank you,

We could be fairly flexible the mornings of April 26-28 if that is helpful for scheduling with The Secretary. Might be easier than a specific time.

Thank you,

Hi Sydney,

Yes, please. We were originally trying to coordinate a meeting with the Administrator and the Secretary of Energy on the same date to maximize travel from Michigan. The Secretary's scheduler indicated, yesterday, the week of April 24th might be a possibility. If the Administrator has any availability the week of

the 24th, we would attempt to make everyone's schedule work. If this is not possible, please let me know other dates after April 11th.

Thank you for your assistance.

Diane

Good Morning Sydney,

Since we are not able to meet on the 11th, which I understand, is it possible to provide some potential dates in April that the Administrator may be able to meet with Ms. Barra, Mr. Glidden, Mr. Turton and Mr. O'Bannon? This would allow us to compare schedules so Ms. Barra and Mr. Glidden could make the trip to DC for a meeting.

Thank you in advance for your assistance.

Diane

Hi Diane,

Thank you for the information! While Administrator Pruitt would like the opportunity to meet with Ms. Barra again, we will very likely be traveling on the 11<sup>th</sup>. I'm not 100% sure that we will be out of state but that is the way things are looking now. Should we look to a future date?

Thank you!

Hi Sydney,

It was a pleasure speaking with you today. Here is the meeting request that was sent on Friday. As I mentioned, the Secretary of Energy will be traveling out of the country and thus cannot make this meeting.

Diane

I know we have been working on a meeting request for March 31st but  
there has been a change in the request.

The Chairwoman & CEO of General Motors, Mary Barra, is going to be  
in Washington on April 11<sup>th</sup> along with Craig Glidden and Dan Turton.

Because she is going to meet with the President that morning, she  
would like to join in a meeting with Secretary Perry and Administrator  
Pruitt along with Mike O'Bannon.

It is important that we lock down a time in the afternoon when they can  
all meet. The meeting does not have to be separate and therefore the  
meeting can be at DOE or EPA and coordinated as such. I would  
appreciate it if you would work with whoever is appropriate so we can  
get back to the Chairwoman & CEO and let her know that the meeting  
is scheduled and locked down.

I thank you in advance for your assistance.

Regards,

Diane
