dollars

and car wheels

Dollars roll away from you with every turn of your car wheels, if they are out of line. Out of line wheels wear tires out in a hurry. Quickest and most accurate way to check and correct wheel alignment is with the scientific "beam of light" Visualiner.

PAINT

a room a weekend with Dutch Boy

Nalplex

from diamond gardner

Living Room

Nalplex lets you paint like a professional. Covers almost any surface with just one coat. Never a brush or roller mark.

For as little as **$9.82** paint your Living Room!

Bedroom

There's no "painty" odor with Nalplex. Begins to dry instantly. There's a wonderful range of smart colors to choose from.

For as little as **$9.05** paint your Bedroom!

Playroom

Nalplex is easy to keep clean. Dries quickly to a durable really washable flat finish. Makes painting a pleasure!

For as little as **$9.05** paint your Playroom!

Kitchen

Use Dutch Boy Satin Eggshell, a beautiful semi-gloss enamel that's easy to clean up and washable, too! Comes in Colors to match Nalplex.

For as little as **$8.57** paint your Kitchen!

P.S. There's a Dutch Boy paint for *every* painting job around the house.
NALCRETE for brick, stucco and concrete
Exterior Flat Finish - "Enamelized" House Paint
Porch and Floor Enamel - Satin Eggshell—rugged semi-gloss enamel
