

3. _____

Effective 1/21/85, we will label all _____
shipments containing asbestos with the label that appears
below:

WARNING

This material contains asbestos fibers. Avoid
creating air-borne fibers or dust. Follow OSHA
work practices, including the use of appropriate
dust control equipment.

Inhalation of air-borne asbestos fibers may
cause asbestosis or other serious bodily harm.
Smoking greatly increases this risk of serious
bodily harm.

If you have any questions, please call.
