Dear Mr. Brown:

Thank you for your letter of November 12.
I am only too well aware of the situation which
you outline and have already discussed the matter
with Dr. E. H. Packard, Medical Director of the
Trudeau Sanatorium.

It is my hope that we can within the next
week determine just what can be done toward carry-
ing out your proposal and you may expect to hear
further from us at a very early date.

Sincerely yours,

Manfred Bowditch
