DOCUMENT DESCRIPTION: Trade Journal Reference Documenting Knowledge of Fatal Effects of Asbestosis

Knowledge of Fatal Effects of Asbestosis

Date: 1934-35

*Source: "Silicosis: the Harmful Dusts which
cause it" by W.R. Jones, in Transaction of the
Ceramic Society, Vol. 34*

**Quote: "Asbestosis is a fatal
disease caused by the fibrous
mineral asbestos, which contains
no silica in the uncombined
form." [emphasis added]**
