55 SHATTUCK STREET  
BOSTON 15, MASSACHUSETTS

February 11, 1946

Mr. Manfred Bowditch  
Field Director  
The Saranac Laboratory  
Saranac Lake, New York

Dear Manfred:

You don't need to do anything more about the employment agency matter. So far as the Association is concerned, we are in agreement, and we will have some sort of a booth at our meeting to handle such matters.

Sincerely yours,

PD:gf

Philip Drinker
