We are enclosing our covering requisition, specifications and two prints of Dwg EP-23537-908-M for the above equipment.

The collector to be a duplicate of that ordered for East Helena Plant by Davy Powergas Order 0659-17-P089-00, copy attached of sketch (Req. 17-011).

Early action on this would be appreciated as we will need drawings for finalizing our layouts and designs.
