Subject: American Iron and Steel Speaking Engagement

Good morning Mr. Gibson,

Hopeful that this email finds you well! Reaching out today regarding your invitation for Administrator Pruitt to speak to the American Iron and Steel Manufacturers on May 23rd. Unfortunately due to travel we won't be able to participate in the event this time. My apologies for the delay in getting back to you, it has been a whirlwind over here. Please don't hesitate to reach out to us in the future though for other events! Thank you!

Best,

Sydney Hupp
