

Dr. Braun - Direct

ordinary scope and course of the business of the foundation?

A. Yes, it is.

Q. You are the custodian and keeper of these records and documents?

A. Yes, sir.

MR. PYLE: I will ask that that be marked as Braun Deposition Exhibit No. 3.

(Braun Deposition Exhibit No. 3 was marked for identification.)

Q. Within the context of membership application and acceptance for membership, Doctor, you mentioned that all companies or organizations regardless of size receive the same benefits?

A. Yes.

Q. What are those benefits of membership in the foundation?

A. Well, primarily a subscription to the Industrial Hygiene Digest which is our monthly publication of abstracts of the literature on industrial health, any bulletins that we publish from time to time, attendance at meetings and courses which we hold, the opportunity to have our
