

REQUEST FOR USE

Product Name: Vinyl Chloride	Manufacturer: PPG	Status: New ☐ Revision ☒																					
What will the material be used for? PVC production		What department(s) will use this material? Vinyl																					
Inventory Requirements: ☐ Less than 500 lbs. ☐ 500-10,000 lbs. ☒ Greater than 10,000 lbs.																							
Category (check appropriate category) <table border="0"><tr><td>☐ Adhesives & Sealants</td><td>☐ Fuels - Gases or Liquids</td><td>☐ Paintings & Coatings</td></tr><tr><td>☐ Catalysts & Initiators</td><td>☐ Heat Transfer Fluids</td><td>☒ Process Chemicals & Additives</td></tr><tr><td>☐ Compound - Colorants</td><td>☐ Industrial Gases - Pipeline or Cylinder</td><td>☐ Raw Materials</td></tr><tr><td>☐ Compound - Fillers & Lubricants</td><td>☐ Laboratory Reagents or Chemicals</td><td>☐ Refrigerants</td></tr><tr><td>☐ Compound - Other Ingredients</td><td>☐ Landscaping/Pest Control</td><td>☐ Solvents & Cleaners</td></tr><tr><td>☐ Compound - Plasticizers</td><td>☐ Lubricants</td><td>☐ Water Treatment Chemicals</td></tr><tr><td>☐ Compound Stabilizers</td><td>☐ Miscellaneous - Not Otherwise Listed</td><td>☐ Filter Media/Aids or Absorbents</td></tr></table>			☐ Adhesives & Sealants	☐ Fuels - Gases or Liquids	☐ Paintings & Coatings	☐ Catalysts & Initiators	☐ Heat Transfer Fluids	☒ Process Chemicals & Additives	☐ Compound - Colorants	☐ Industrial Gases - Pipeline or Cylinder	☐ Raw Materials	☐ Compound - Fillers & Lubricants	☐ Laboratory Reagents or Chemicals	☐ Refrigerants	☐ Compound - Other Ingredients	☐ Landscaping/Pest Control	☐ Solvents & Cleaners	☐ Compound - Plasticizers	☐ Lubricants	☐ Water Treatment Chemicals	☐ Compound Stabilizers	☐ Miscellaneous - Not Otherwise Listed	☐ Filter Media/Aids or Absorbents
☐ Adhesives & Sealants	☐ Fuels - Gases or Liquids	☐ Paintings & Coatings																					
☐ Catalysts & Initiators	☐ Heat Transfer Fluids	☒ Process Chemicals & Additives																					
☐ Compound - Colorants	☐ Industrial Gases - Pipeline or Cylinder	☐ Raw Materials																					
☐ Compound - Fillers & Lubricants	☐ Laboratory Reagents or Chemicals	☐ Refrigerants																					
☐ Compound - Other Ingredients	☐ Landscaping/Pest Control	☐ Solvents & Cleaners																					
☐ Compound - Plasticizers	☐ Lubricants	☐ Water Treatment Chemicals																					
☐ Compound Stabilizers	☐ Miscellaneous - Not Otherwise Listed	☐ Filter Media/Aids or Absorbents																					
Requested by: Bill Cabrelli		Date: 8-15-02																					
Note: PLEASE ATTACH THE MSDS TO THIS FORM AND FORWARD BOTH TO THE IH/SAFETY COORDINATOR																							
SAFETY REVIEW (29 CFR 1910.1200)																							
Physical Hazards (check all appropriate) <table border="0"><tr><td>☐ Combustible liquid</td><td>☒ Flammable gas</td><td>☐ Organic peroxide</td><td>☐ Unstable</td></tr><tr><td>☐ Compressed gas</td><td>☐ Flammable liquid</td><td>☐ Oxidizer</td><td>☐ Water-reactive</td></tr><tr><td>☐ Explosive</td><td>☐ Flammable solid</td><td>☐ Pyrophoric</td><td>☐ Corrosive</td></tr><tr><td>☐</td><td></td><td></td><td></td></tr></table>			☐ Combustible liquid	☒ Flammable gas	☐ Organic peroxide	☐ Unstable	☐ Compressed gas	☐ Flammable liquid	☐ Oxidizer	☐ Water-reactive	☐ Explosive	☐ Flammable solid	☐ Pyrophoric	☐ Corrosive	☐								
☐ Combustible liquid	☒ Flammable gas	☐ Organic peroxide	☐ Unstable																				
☐ Compressed gas	☐ Flammable liquid	☐ Oxidizer	☐ Water-reactive																				
☐ Explosive	☐ Flammable solid	☐ Pyrophoric	☐ Corrosive																				
☐																							
Health Hazards (check all appropriate) ☒ Carcinogen ☐ Irritant ☐ Sensitizer ☐ Toxic																							
Biomodes of Entry (check all appropriate) ☐ Eye ☒ Skin ☒ Inhalation ☒ Ingestion																							
Is training required for this material? (Check one) ☐ Yes ☒ No																							
Comments:																							
Approved for use: [Signature]		Date: 8/28/02																					
Not approved for use:		Date:																					
ENVIRONMENTAL REVIEW																							
Would this chemical impact plant emissions? (Check one)		☒ Yes ☐ No																					
Would this chemical produce hazardous waste? (Check one)		☒ Yes ☐ No																					
If hazardous, it is due to: (check all appropriate) <table border="0"><tr><td>☐ Ignitability</td><td>☐ Corrosivity</td><td>☐ Reactivity</td><td>☒ Toxicity</td><td>☒ A listed waste</td></tr></table>			☐ Ignitability	☐ Corrosivity	☐ Reactivity	☒ Toxicity	☒ A listed waste																
☐ Ignitability	☐ Corrosivity	☐ Reactivity	☒ Toxicity	☒ A listed waste																			
Reportable under SARA 313 under any quantity? (Check one)		☒ Yes ☐ No																					
Reportable under SARA 311/312? (Check one)		☒ Yes ☐ No																					
Is the chemical listed under CERCLA? (Check one) ☒ Yes ☐ No																							
☒ Listed as a Hazardous Substance (40 CFR 302.4)		RQ: 1 lbs.																					
☐ Listed as an Extremely Hazardous Substance (40 CFR 355.20)																							
☒ Listed in TSCA Inventory																							
Is the chemical regulated under DOT (49CFR 172)? ☒ Yes ☐ No		8-8-02																					
Comments:																							
Approved for use: [Signature]		Date: 8/30/02																					
Not approved for use:		Date:
