Subject: FOR REVIEW: Presidential Exemption - Notification List

Importance: High

Hi Everyone,

At 3:00 today we are planning to announce the ability for industry to request a Presidential Exemption under section 112(i)(4) of the Clean Air Act for nine of our air toxics rules:

- MATS
- HON
- EtO Sterilizers
- Rubber Tire Manufacturing
- Primary Copper Smelting
- Integrated Iron & Steel
- Lime Manufacturing
- Coke Ovens
- Taconite

I've assembled a notification list that I pulled from our communication plans for each rule announcement.

Ex. 5 Deliberative Process (DP)

Ex. 5 Deliberative Process (DP)

Could you have your folks take a look at these and have them (1) add any additional industry contacts, and (2) ensure the list is up to date? The deadline is **ASAP**. My apologies for the short turnaround.

Thanks so much, and please let me know if you have any questions.
