Alexander,

Corn Oil 1 can make Thursday 4:30 pm EST work for a call. Will you be setting up a conference line or would you like me to do that?

Thanks!  
Stephanie

Apologies for the late response was having some connection issues working remotely this weekend.

Can you all do either Thursday the 24<sup>th</sup> at 4:30ET or Friday at 2:00?

Our existing infrastructure can't handle what they are asking for :) they can definitely work with us on a path forward, however.

Happy to arrange the call though (I actually thought we had already- sorry!). Alex can you help?

Hey Tate,

I hope all of your trips in August have been going well!

I wanted to loop back with you on Corn Oil 1 after our conversation in Iowa. Could you help schedule a phone call between Corn Oil 1 and Mandy for sometime next week? Devin and I would like to be on the call as well.

Corn Oil 1 is still not understanding why they are being placed in the bio-intermediary category. It'd be helpful from my end if Mandy (or whoever is the correct person) could loop Devin and I in on the reasoning for labeling them as such before the call.

Thank you SO much for all of your help on this!

Best,

Stephanie
