THE GLIDDEN COMPANY

Cleveland, Ohio.

May 26th. 1922.

Mr. J. A. Dowdy, Director of Sales,
Anaconda Lead Products Company,
111 West Washington St.,
Chicago, Ill.

Dear Mr. Dowdy:

I have your favor of the 22nd and I am perfectly willing to have our registration of the brand "Anaconda" transferred to your Company if you desire. I do not think it would be well to cancel it because really the Trade Mark Bureau of the National Paint, Oil & Varnish Association is merely for the protection of its members. It has nothing to do with the Trade Marks registered by the United States.

You can rest assured that we recognize the ownership of the Anaconda Lead Products Company of the trade mark "Anaconda," and have not the slightest intention of doing anything to interfere with that trade mark. It would seem to me that the simplest thing to do would be to give you an assignment of any supposed right we may have, and this could be registered with the Trade Mark Bureau of the National P.O. & V. Assn. I think if we ask to have it cancelled some jealous minded people in the trade might think we were no longer distributing Anaconda Lead in Oil.

Yours truly,

(signed) Adrian D. Jayce,

President.
