I attach notes on our PCB discussion on November 2nd.

I suggest we meet again early in December. Before our next meeting I would ask that we complete action on the following items.

G. J. Levinskas - Items 1 (b) (d) (e)

J. C. Weber - Items 2 (a)

J. C. Weber/J. P. Mieure - Item 2 (b)

D. Wood - Item 2 (c)

R. A. Stohr - Expand thinking on 2 (d)

J. C. Weber/W. Easley - up date 3 (b)

D. Wood - Complete review 3 (d)

Following our next discussion I want us to be able to frame recommendations for review with Dr. Miller and Mr. Fitzgerald and if necessary for subsequent review with the Corporate Social Responsibility Committee.

Thank you for your assistance.

D. Wood
