

For Woodwork SILKENWHITE ENAMEL

WOODWORK that gleams in rich and satin-like
vesture!—in aristocratic ivory or grays or purest
white.

Woodwork that provides gracious and fitting back-
grounds for rugs and furniture, for pictures and hang-
ings.

Finish or re-finish the woodwork in your home with
Silkenwhite Enamel. In delightful shades and colors, it
helps make the home beautiful and enduring. A blend-
ing of high grade varnishes and pure pigments, Silken-
white Enamel forms a smooth satiny surface of remark-
able durability.

Ask your Dealer about Fuller quality paints or var-
nishes. And write for our free book on home painting,
"Color Harmony in the Home"—illustrated in colors.
It is your guide in every phase of painting and decor-
ating with the brush. It suggests pleasing color schemes.
