FYI

Tina- per our conversation please find all the available correspondence on the occupational disease claim being filed by the above captioned claimant. Please note we have forwarded the same information to our attorney Jeff Herwig and left a message for him to review the claim data and file a denial on the claim once a Notice of Employee Claim Form is issued. Please forward a First Report of Injury for this claimant so we can open a file and address the defense of the claim. Thank you.....bdf

Time. I believe we have a
old Sam for this guy.
Not sure if its a OK.
Please check into it
