

1 It says primarily occupational exposures.

2 (Whereupon, laughter ensued.)

3 Q Which means that the source of the asbestos
4 exposure from brake linings is in an occupational
5 setting --

6 A Absolutely, kidding aside.

7 Q -- rather than necessarily being out on the
8 street when somebody is coming to a stop at a stop
9 sign?

10 A Absolutely.

11 THE COURT: Have you been taking lessons
12 from Wild Bill Haggy?

13 (Whereupon, laughter ensued.)

14 BY MR. HOFFMAN:

15 Q Doctor, you brought some slides with you?

16 A Yes, I did.

17 Q Should we just go right to the slides rather
18 than -- it would be all right with me.

19 A Certainly.

20 Q In the case of Mr. Wood, did we provide you
21 with pathology specimens to look at?
