Sirs:

With reference to your letter of January 22, 1944 regarding the test to be conducted on synthetic rubber diaphragm material in accordance with Type B of Bureau of Ships Ad Interior Specification 33-P-31 (INT), we are arranging to ship to The United States Navy Yard, Material Laboratory, New York, New York, for test under Test No. 4598-36 the necessary samples.

If we can be of any further service to the Bureau of Ships kindly advise.

Very truly yours,

THE GARLOCK PACKING COMPANY
