Ryan,

First congratulations on your move to the EPA and your position as COS. I suspect that Jim misses you—you had a long run together. I sure hope this note finds you well in all respects.

Gentner Drummond has informed me that Katherine is seeking a position with the EPA. He and I are friends and I have come to very much admire and trust his judgement in things. He is certainly enthusiastic about his support for Katherine. Based on his recommendation and her outstanding resume' and education & work experience, I encourage you to see that she gets a real opportunity to put her talents to work for us at the EPA.

Thanks for all you do and your consideration of Katherine.

Best regards,  
Bob
