Dear George:

Below is the approximate percentages of asbestos in rings and inserts that we have supplied Dunuesre Works.

Fiber Inserts prior to 1975 - 12%

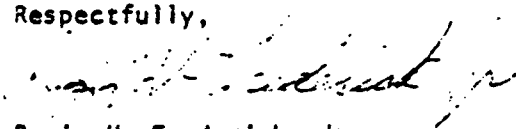

Fiber Rings prior to 1975 - 21%

Fiber Inserts since 1975 - Trace

Fiber Rings since 1975 - Trace

I hope this data is sufficient and if I can be of any assistance feel free to call me.

Respectfully,

Regis H. Frederick, Jr.
