March 7, 1996

TO: The PCB Consensus Group

At our March 6 meeting we agreed to start distribution of the Smith report. Steve Rosenthal and Toni Allen agreed to start the distribution; and then, we will go from there. Leah Porter agreed to be the contact person, and I am sending you the cover letter we will use. Unless I hear some urgent phone messages next week (3-11-96), we will go ahead with the cover letter as it is.

Regards,
