Aurelia, might we be able to visit with you or someone you designate tomorrow morning or afternoon?

Dear Aurelia: You may or not remember the issue described below but Ron Philemonoff, CEO of TDX, the ANCSA Village Corp for St. Paul will be in town this week. We have had excellent early and preliminary contacts and information exchanges with Steve Delehanty about a potential, relatively small-scale land exchange, between TDX and USFWS on St. Paul Island near the "bird cliffs." Actually the ball is in our court to get back to Steve and others at USFWS and Ron Philemonoff, CEO of TDX and Greg Galik of TDX will be in DC Wed, Thurs, and Fri of this week and are available those three days with the exception of 11:30 to 1:30 on Thursday and Friday. He would greatly appreciate a chance to meet with you or

someone appropriate on your staff to touch base on this important issue. Sorry for the short notice but Ron's trip here came together only in the past couple of days. Thanks very much for your consideration of this request.
