Dear Mr. Rockwell:

We have a problem at the Baldwin-Lima-Hamilton Corp., Lima, Ohio, involving a number of ~~their~~ products, including the following:

Turcoat 4432
Rinse H-1131
Turco Klean
Turco Solve
#95 acid

We would like to know the approximate analysis of the above, and would appreciate any available information on toxicity, flammability, etc.

Thank you,

Sincerely,

DeWitt Huffman
Industrial Hygiene Engineer
