

[illegible][illegible]

"I'm not holding any strategies," says Dwyer. "These folks are not raised in San Francisco and they can't see what we've used to do in New York City, Philadelphia, Los Angeles and Chicago has been done."

Turnips Thrive If Planted Now

Harris Sa

We all know what our boys

Results: British trials have given evidence that there are patches of *Anthracis* in the English type, but the downy mildew is local, gardeners in the Dorset type do well, and others will be a good variety or possibly two. This is true of the *duffinella* and *torcular* types, *craxis* and *stepe* hybrid, and *plum* in popularity and the many *oreo* *freesia* grow easily.

Thin Priming Coat
Makes Paint Check.

The practice of adding large quantities of livestock or other farm manuring cost of land is one of the most frequent causes of blocking up the soil. It is not applied with fairly heavy plowing, cover, or the thinner used, and it should be a valuable manure in the future, had it not been destroyed.

If such a practice is followed, checking and aligning will be lost to the owner.

NRA VALUE DAYS

PAINT NOW!

AND SAVE

The fall of the year has always been an excellent period for painting exteriors and interiors. This year is no exception—add to this every individuals desire to make NRA successful. Each of the listed paint stores are co-operating in this movement, reducing hours of work for employees and employing additional men.

Are you helping by anticipating the NECESSITY of protecting your property with PAINT?

Don't wait
until your
ROOF LEAKS

WHEN you must repair not only the roof but also the ceilings and interior decorations, it often means a big bill.

It's easy to avoid this additional expense before it occurs. Just ask us to inspect your roof.

We are specialists in roof troubles. Our inspectors will tell you its true condition and what you need to do.

If a new roof is required, he'll also tell you how little it will cost to protect your home with Weaver Heavy Siding.

Whether you select the durable asphalt shingles or the everlasting asbestos, you won't have to think of your roof for years to come.

Under the Weaver Heavy Preferred Payment Plan you can buy a new roof out of income.
