Benzene Health Research Workgroup;

Attached is the draft summary from yesterday's call. We are very close to being able to go forward with the project, mostly due to the efforts of this group in working within your companies. Action items are included in the summary. I hope to be sending out additional e-mail in the next two days indicating commitment from all five of the core group companies. Our next conference call is next Monday, July 2nd. Details below.

Monday, July 2, 2001, 1:00 PM EDT
