Hi Tom,  
I'm looping in Derrick to see what the art of possible is. I think next Friday may likely be best, but he will surely find the best time.

Nancy, would it be possible to have a call to discuss our EUP sometime next week?

If so, it can be one-on-one, or if possible, I would include Brad Shurdut, our regulatory lead.

Have a nice Friday and weekend.

Best,  
Tom

Dear Nancy, greetings and trust that you and the EPA team are well.

I appreciate the ongoing efforts by EPA to process our EUP and Section 3 requests. Given all of the comments on the EUP, I wanted to be sure that you saw the attached letter from Health Secretary Pedro Mello from Piracicaba, Brazil. Following submission to the EUP docket, Secretary Pedro Mello provided my team with this courtesy copy that I'd also like to share with you. As noted in Secretary Mello's letter, we have successfully and safely deployed our OX513A mosquitoes in Piracicaba over the last few years.

Thank you again!

Best,  
Tom
