Subject: [EXTERNAL] Ryan Zinke on Denver radio to discuss Freedom Conference?

Date: Mon, 09 Jul 2018 13:57:54 +0000

Importance: Normal

Hi Leila,

My name is Jordan Bruneau, and I'm the communications director at the Steamboat Institute. I was wondering if Sec. Zinke would have any availability this month to do a radio interview on the Mandy Connell show, a conservative talk radio show in Denver, to promote the Steamboat Institute's 10th Annual Freedom Conference, where he is the featured speaker?

Would Sec. Zinke have any availabilities?

Best,
