Lisa,

You are incredibly kind. Truly, I have never worked with anyone as thoughtful and as organized as yourself. It was such a breath of fresh air and a joy to work with you.

I would be glad to connect you vi email to Eric. Please let me if there is further I can do for you.

Thank you so much,

Millan Hupp

Hello Millan,

First of all I wanted to tell you how wonderful it was to work with you and your team at our convention this year in Nashville. I have never worked with anyone so professional, yet so polite and humble, what a great experience.

I have a question for you and I do apologize for taking up your time. The photographer that was with your group at our event at the Hilton Nashville Downtown Monday morning, October 23rd took pictures of the Administrator and Mr. Greseth and Charlie Polston on stage. He said he would forward me the photos. I either gave him the wrong email, deleted the email because I did not recognize his name or he has not sent them yet.

Any chance you can forward my request for the photos or send me his email address so I may contact him.

Thank you so much and the Best of Luck in all you do!

Sincerely,

Lisa Chamness
