Dear Sir,

FINANCE: Due to the fact that no fibre proceeds are yet available our funds are again exhausted. So that current commitments can be met with, will you please arrange for a further £15000 to be made available immediately. We would appreciate if you would telegraph C.S.R., Perth to that effect. It is anticipated that £11500 may be received for fibre sales in about 10 day's time.

Yours faithfully,
