SUBJECT: INITIATOR CONTAINER WASTE MINIMIZATION TASK FORCE

At the recent meeting of the Vinyl Institute Health, Safety & Environment Committee, each of you have been recommended as a member of this special committee. The goal is to work towards the minimization of waste or recycling of initiator containers.

CTL015666

An initial meeting is proposed for Wednesday, October 24, 1990 in Houston, Texas. The meeting should last about four (4) hours and will begin at 9:00 AM. The hotel will be announced shortly. Please confirm your attendance by fax to Bruce Brocka at 318 882-1516 by Tuesday, October 9, 1990.
