Don't Neglect Your Floors

It's fun to paint or varnish them yourself—easy too

FLOORS that have a good finish do not get scarred and worn, the finish takes the wear. Well finished floors always look better, too.

If your floors need refinishing and you can't get a painter to do the work, refinish them yourself. You can do it easily—it's really fun."

Our "Home Service Paint Department" was organized just to help women refinish things about the home. Write for free advice, telling us what you want to refinish and how you want it to look.

Our experts will explain every step of the work and recommend the right materials, brushes, etc.

There are special Fuller Paints, Varnishes, Enamels, Wall

Finishes and Stains for you to use. They are the best products of their kind that we know and we have been making such products for 73 years.
