The Secretary of the Vinyl Chloride Safety Association is Mr. Walt M. Iliff. If you will write to him explaining the desire of your company to become a member and being sure to explain that BIP is a producer of PVC he will make the necessary arrangements for you to join. His address is:

Mr. Walt M. Iliff
Uniroyal Inc.
P. O. Box 460
Painesville, Ohio 44077

I am gathering data on measuring vinyl chloride in plant atmospheres and will send it along shortly.
